

In a tough financial climate, sourcing funding becomes vital. Fortunately, the breadth of grants and funding streams available is astonishing. Some are very general whilst others are a lot more niche, so there's bound to be something out there for you. Since this exceptional choice can be overwhelming, we've compiled a collection of opportunities applicable to Broxap projects.

Institute of Electrical
Engineering IET

Who can apply:

- Schools;
- youth groups;
- other organisations delivering UK-based educational activities e.g. STEM organisations, and members of the Institution of Engineering and Technology (IET)

Specification:

They're looking to...
 ...fund projects that "nurture and support the increase of engineering knowledge among children and young people" (5 - 19 years old).

Products Covered:

- Outdoor classrooms;
- playground equipment for early years e.g. water trays, sandpits and other sensory play activities.

Please visit - <https://education.theiet.org/funding/>

Screwfix Foundation

Who can apply:

Local registered charities and not-for-profit organisations helping people living in the UK who are at a disadvantage. For example, those in need by reason of:

- financial hardship,
- sickness,
- disability,
- distress,
- other disadvantages.

Specification:

They're looking to...
...support projects that will "fix, repair, maintain and improve" community facilities and properties for those in need throughout the UK.

Products Covered:

- External seating;
- planters and tree protection;
- litter & recycling bins;
- bollards;
- cycle parking facilities;
- sports equipment;
- outdoor gyms;
- playground equipment;
- entrance canopies, covered walkways, sun shelters and other canopied structures.

Please visit - <https://www.screwfix.com/help/screwfixfoundation/>

Suez Community Trust

Who can apply:

- Community and/or voluntary groups;
- parish councils;
- charities;
- educational establishments in which the wider community has significant opportunities to use the amenity.

Specification:

They're looking to...
...fund projects which focus on "long-lasting physical improvements" at a specified site or amenity, typically through the purchase of materials, equipment and the appointment of a contractor to undertake the work.

Products Covered:

- External seating;
- planters and tree protection;
- litter & recycling bins;
- bollards;
- cycle parking facilities;
- sports equipment;
- outdoor gyms;
- playground equipment;
- entrance canopies, covered walkways, sun shelters and other canopied structures.
